Commodity Credit Corporation

Feed Grain Donations; Northern Cheyenne Indian Reservation of Montana

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Notice.

SUMMARY: The Acting Executive Vice President, Commodity Credit Corporation (CCC) is announcing that the Northern Cheyenne Indian Reservation of Montana is an acute distress area and that CCC-owned feed grain will be donated to needy livestock owners on the reservation.

FOR FURTHER INFORMATION CONTACT: John Newcomer, Consolidated Farm Service Agency, P.O. Box 2415, Washington, DC, 20013-2415, 202-720-6157.

SUPPLEMENTARY INFORMATION: Pursuant to the authority set forth in section 407 of the Agricultural Act of 1949, as amended (7 U.S.C. 1427), and Executive Order 11336, notice is being given that it is determined that:

1. The chronic economic distress of the needy members of the Northern Cheyenne Tribes using the Northern Cheyenne Indian Reservation of Montana has been materially increased and become acute because of severe drought during the 1994 growing season and the ensuing Baby Dean fire, thereby severely affecting livestock feed production and causing increased economic distress. This reservation is utilized by members of the Northern Cheyenne Tribes for grazing purposes.

2. The use of feed grain or products thereof made available by CCC for livestock feed for such needy members of the Northern Cheyenne Tribes using the Northern Cheyenne Indian Reservation will not displace or interfere with normal marketing of agricultural commodities.

3. Based on the above determinations, the Northern Cheyenne Indian Reservation of Montana is declared an acute distress area and the donation of feed grain owned by the CCC is authorized to livestock owners who are determined by the Bureau of Indian Affairs, United States Department of the Interior, to be needy members of the Northern Cheyenne Tribes utilizing such lands. These donations by the CCC may commence upon December 8, 1994, and shall be made available through April 30, 1995, or such other date as may be stated in a notice issued by the Acting Executive Vice President, CCC.

Signed at Washington, DC, on January 19, 1995.

Bruce R. Weber,

Acting Executive Vice President Commodity Credit Corporation

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Special Population Censuses.

Form Number(s): SC-19, SC-19AR.

Agency Approval Number: 0607-0368.

Type of Request: Revision of a currently approved collection.

Burden: 67,083 hours.

Number of Respondents: 700,000.

Avg Hours Per Response: 5.75 minutes.

Needs and Uses: The special census program is a service offered and performed contractually by the Census Bureau for states, counties, and other governmental units which require current population data between decennial censuses. Since many states distribute funds based on current population statistics, many local jurisdictions use the special census data to apply for state funds. The Census Bureau also uses special census data as a part of the Bureau's local population estimates calculations. Census requests approval to notify the Office of Management and Budget (OMB) of any

question changes and/or additions to individual special census questionnaires 30 days prior to the scheduled census date. In most cases, changes would be for slight wording variations and would not increase the burden per response. Questions added would be special purpose questions, as requested by the contracting area. Census would inform OMB of the revised and added questions in a letter to be forwarded to OMB no less than 30 days prior to the census day of the special census in question.

Affected Public: Individuals or households.

Frequency: As requested.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482-3271, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Current Industrial Reports Program, Bed and Bath Furnishings (formerly Sheets, Pillowcases, and Towels).

Form Number(s): MQ23X.

Agency Approval Number: 0607-0650.

Type of Request: Revision of a currently approved collection.

Burden: 282 hours.

Number of Respondents: 94.

Avg Hours Per Response: 45 minutes.

Needs and Uses: The Census Bureau conducts this quarterly survey to collect data on the production, quantity, value of shipments, inventories, and unified sales orders of bed and bath furnishings. Census requests only data needed by the

Office of Textiles and Apparel (OTEXA) to monitor several textile categories in multifiber agreements. OTEXA uses the data to support specific concerns and trade limitations in these categories and to provide the basis for developing a U.S. position for negotiations with countries with whom trade agreements are about to expire and to initiate appropriate action when exports from uncontrolled countries surge. The Committee for the Implementation of Textile Agreements, of which OTEXA is a part, uses the data to determine the health of the U.S. multifiber industry and to measure foreign penetration. Other Federal agencies, businesses, and trade organizations use the data to analyze and forecast long-term growth in the industry.

Affected Public: Businesses or other for-profit organizations.

Frequency: Quarterly.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.

Title: Current Industrial Reports Program, Apparel.

Form Number(s): MQ23A.

Agency Approval Number: 0607-0560.

Type of Request: Revision of a currently approved collection.

Burden: 5,808 hours.

Number of Respondents: 3,077.

Avg Hours Per Response: 53 minutes.

Needs and Uses: The Census Bureau conducts this survey quarterly (some

small companies report annually) to collect information on apparel production. The domestic apparel industry is provided some protection from imports through bilateral trade agreements. The Multifiber Arrangement (MFA) provides the legal framework for the regulation of trade. The Committee for the Implementation of Textile Agreements (CITA) negotiates bilateral trade agreements and determines whether and when to request consultations with an exporting country to avoid market disruptions in the United States. The MFA requires that requests for consultations be accompanied by a factual statement of market disruption prepared by the Office of Textiles and Apparel (OTEXA). Quarterly Census Bureau data from this survey provide the detailed information needed by CITA and OTEXA to meet this requirement.

Affected Public: Businesses or other for-profit organizations.

Frequency: Quarterly and Annually.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.
